By signing below, the Merchant understands and agrees to annually pay a fee to The UConn One Card Office for the software license that is required for the Merchant’s card reader to process Husky Bucks transactions.

1. Merchant is purchasing a mobile card reader shuttle for $65 from the One Card Office.

2. The Merchant supplies the mobile device (must be an iPad, iTouch, iPod, iPhone, or iPad mini). The purchased card reader shuttle will connect to this device. The mobile device must be wireless and requires a Wi-Fi signal to operate.

3. Merchant agrees to annually pay the UConn One Card Office a fee for the software license that is required to process Husky Bucks transactions. The fee for the license is currently $220. The license will function from date of installation through September 30, 2019. If the card reader is installed after November 1, 2018, the fee will be prorated for the number of months remaining until September 30, 2019 at a rate of $18.34 per month. Every September thereafter, the Merchant will be billed for the annual software license fee for the up-coming 12 month period of October 1 to September 30. The fee may increase annually.

4. If the Merchant withdraws from the Husky Bucks Program, the Merchant understands that the One Card Office does not issue prorated refunds on the software license fee or on the card reader shuttle.
